

So Ya Wanna Be a Witch?

by David J. Stewart

“Satan hath desired to have you, that he may sift you as wheat.” —Luke 22:31

Introduction

Hello friend. So you want to be a witch do you? Wicca is one of the fastest growing occult religions in the world today. Thanks to *Harry Potter* and shows like *Sabrina the Witch*, there is an unprecedented interest in witchcraft (especially among teenagers). Teens find Wicca appealing for several reasons. One of the main reasons is because Wicca is a personal religion and doesn't require any kind of membership... you are accepted just as you are.

I concede that Wicca would be appealing to me too if I were looking for a place to belong. Go into your average church and you are immediately surrounded by "church people" that oftentimes look down upon you because you're different from them. I'm as disgusted with churches and religion today as you are. Truly, the Christian army is the only army in the world that slays it's wounded. Religious folks are some of the most hypocritical people in the world.

History has proven that established religion is one of the biggest causes of war, killing, rapes, and every other form of wickedness imaginable. In fact, the Bible has nothing good to say about religion. Jesus Christ, Who was God in the flesh (1st Timothy 3:16), never started a religion. Jesus started the church, but it wasn't meant to be a religion. The Bible defines "religion" in James 1:27..."Pure religion and undefiled before God and the Father is this, To visit the fatherless and widows in their affliction, and to keep himself unspotted from the world."

The Word of God defines "religion" as helping the poor and needy, while living for the Lord. Most religions are filthy rich while the poor get poorer. Look at the trillions of dollars which the Roman Catholic Church possesses. How many poor people do they help? The type of religion which the masses of the world practice is nothing less than pure heathendom. God hates false religion.

Of course, no religion can save your soul. Religion never could get anyone into heaven. Jesus clearly proclaimed in John 14:6 that He Himself is the **ONLY** Way into heaven..."Jesus saith unto him, **I am the way, the truth, and the life: no man cometh unto the Father, but by me.**" I often have people ask me which religion is the "right" religion. The answer is very simply...NONE of them! Salvation is NOT found in a religion, but in a Person -The Lord Jesus Christ! The "Gospel" (good news) of Jesus Christ teaches: Jesus died, was buried, and rose again for our justification (1st Corinthians 15:1-4). If we simply admit to God that we are a sinner, and then believe upon the Lord Jesus Christ to forgive our sins...we will be saved (1st John 1:9; Acts 16:31; Romans 10:13).

The Wiccan Religion

What is the history of the Wiccan religion? Where did it start? In 1998 Philip G. Davis, a professor of religion at the University of Prince Edward Island, published *Goddess Unmasked: The Rise of Neopagan Feminist Spirituality*, which argued that Wicca was the creation of an English civil servant and amateur anthropologist named Gerald B. Gardner (1884-1964). Wicca is just another religion, luring it's members way from the Truth of the Gospel of Jesus Christ. Wicca is based upon the occult teachings of "Yin" and "Yang," the two alleged opposing forces of the universe. The life's flow of energy produced by the interchange of Yin and Yang is "Chi."

You will find that all of the New Age beliefs and occult practices are based upon these basic principles of demonology. Yoga, acupuncture, Holistic health, Hypnotism, Feng Shui (and hundreds of other demonic practices)...are all attempts to manipulate the energies of Yin and Yang. Wicca recognizes the powers of Yin and Yang as well. Wicca (often called "goddess worship") particularly pays attention to "Yin," the female aspect of the universe. Yin is represented by the moon, hence the Wiccans infatuation with the moon (the female goddess). The sun is representative of Yang, the male aspect.

All of these teaching are NOT based upon the Bible, but upon the works of darkness spoken of in Ephesians 5:11, "And have no fellowship with the unfruitful works of darkness, but rather reprove them." Although Wiccans vehemently deny the existence of Satan, that does not mean that he no longer exists in reality. Wiccans claim that "Satan" is exclusive to Christianity and therefore should not be associated with Wiccans in any way. However, the Word of God clearly teaches that Satan does exist. Upon further studying into the Scriptures, we learn that Satan is a master deceiver, a grand counterfeiter. Listen to the frightening words of 2nd Corinthians 11:13,14..."For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ.

And no marvel; for Satan himself is transformed into an angel of light." The Bible warns us that Satan always appears as an angel of light. Ironically, Wiccans do acknowledge the existence of Lucifer, the god of light. *Gospel of the Witches* (originally published 1899), one of Wicca's major sources, contains some diabolical-witchcraft elements of its own. The very first paragraph reads: "*Diana greatly loved her brother Lucifer, the god of the Sun and of the Moon, the god of Light, who was so proud of his beauty, and who for his pride was driven from Paradise.*" Wiccans willingly acknowledge Satan in his deceptive form, but refuse to

recognize him for the Devil he is.

Wiccans are openly acceptant of sexual sins which are Biblically prohibited. Witchcraft is infamous for sexual rituals and ceremonial nudity. [Anton LaVey](#), founder of the **CHURCH OF SATAN**, wrote a book called, *The Satanic Witch*, in which teaches women how to take advantage of men. The book is pure evil and promotes the sins of feminism and sexual immorality. From researching their own writings and websites, witches are well-known for lesbianism, orgies and sexual licentiousness. No wonder they have such

an attraction for the Pagan god, [Pan](#) (the world's foremost sexual pervert).

Satan Wants You Teenager!

Oh listen my young friend, the devil desires to sift you as wheat as Jesus warned Simon Peter..."And the Lord said, Simon, Simon, behold, Satan hath desired to have you, that he may sift you as wheat" (Luke 22:31). The devil's only goal for your life is to kill, steal, and destroy you ("The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly." -John 10:10). Satan has put in a bid you you young person, and he will purchase you if you let him. Don't do it! I beg you to run away from Wicca witchcraft as fast as you can!!! Don't wait until your life is destroyed! It is a FACT that Wicca is most popular with teenage girls. Do you know why? Because Wicca is the religion of feminism, and society today has been destabilized by communist infiltrators like Gloria Steinem.

Young girls are being mentored by such heathens as Britney Spears, Hilary Duff, and Jessica Simpson to become feminists. Wicca is a very attractive religion to upcoming feminists who want to worship the goddess. Do you think it is just a coincidence that goddess worship is ALWAYS pagan? Nowhere in the Bible is God ever referred to as a "female." The Word of God portrays [God in the masculine gender](#), although God is certainly not a man. Scripture contains almost 170 references to God as the "Father." By necessity, one cannot be a father unless he is male. If what was meant to be communicated was that God chose to be revealed to man in a female form, then the word "mother" would have occurred in these places, not "father." In the Old and New Testament both, masculine pronouns are used over and over again in reference to God.

Please do not be deceived teenager, Satan does exist! To deny the existence of Satan is to deny the Word of God and Christianity altogether. Wiccans like to portray themselves as "martyrs," but that is not true at all. No one is trying to attack Witches.

For many girls, witchcraft is alluring simply as a way to get attention or to be rebellious.

The bottom line is that Wicca is witchcraft and the Word of God condemns partaking of it...

"... the sin of witchcraft..." —1st Samuel
15:23
